Bulk Billed
DVA Goldcard patients
Immunisations in Nurses room
INR/Prolia/B12 in Nurses room
Care plans and Care Plan Reviews
Annual Health Assessment >75yo

There is no bulk billing, and every appointment will have a private fee.

The exception is Chronic Disease Management plans for those eligible - Care Plans and Care Plan Reviews.

Annual >75-year-old Health Assessments will continue to be bulk billed.

New patients to the practice require a long (30minute) appointment.

Telehealth consultations are privately billed.

Appointment times are limited at CFP. If you must cancel your appointment, we respectfully request as much notice as possible. Patients who fail to attend or give less than 3 hours' notice to cancel their appointment, will incur a cancellation fee.

Worker's Compensation or Work Injury Consultation Fees

Patients are responsible for all accounts until they provide a claim number from the insurance company. Contact details need to be provided for direct billing and payment from the insurance company.

Prior to these details being provided, the patient is to ensure payment is made on the day of consultation.
